East Bay Community Energy (EBCE) Community Presentation

Thursday, November 29
6:30 PM – 8:00 PM
777 B Street
Hayward, CA 94541
Room 2A

Join us at Hayward City Hall!

Members of the community are invited to visit Hayward City Hall on Thursday, November 29 from 6:30 p.m. to 8:00 p.m. to hear from East Bay Community Energy (EBCE) and the Center for Sustainable Energy (CSE).

A representative from EBCE will present on the new, cleaner energy options available to Hayward community members. EBCE will also answer questions about how these options will affect customers' PG&E bills and the community at large.

Following EBCE's presentation, CSE will present on the Clean Vehicle Rebate Project (CVRP), the state rebate program for electric vehicles. CSE will discuss how to apply for a rebate, rebate amounts, and eligibility.
