Subject: Fire Stations 1-5 Improvements  
Subcontractor Substitution Request for Electrical Work

Dear Mr. Fields:

This letter shall serve as notice pursuant to Public Contract Code Section 4107 that Arntz Builders, Inc. (ABI) has submitted a written request to substitute DAL Technology as a subcontractor on the City of Hayward Fire Station 1-5, Project Nos. 07476, 07477, 07478, 07479, 07480. A copy of the substitution request is enclosed with this letter.

Pursuant to the Public Contract Code you have five (5) working days to submit written objections to the City regarding the substitution request. Failure to submit written objections shall constitute your consent to the substitution. If written objections are filed, the City will schedule a hearing regarding ABI's request and you will be provided five (5) working days' notice of such hearing.

Sincerely,

Dave Hung  
Senior Civil Engineer
