Hayward Odd Fellows Sycamore Lodge #129 and H.A.R.D. are sponsoring Sundays at the Plunge this Summer, featuring different live local Music each Sunday as well as Dance, Art, Theater, and Chess! If you are a chess player, bring your chess moves or come to learn! Bring a blanket or lawn chairs, a picnic (no alcohol), and enjoy a day in the park with Music, Art, Dance & Chess!

Plunge into Dance! Each week as part of the program, we will bring a different local dance group here to the Plunge to show you the dances they like, how much fun they are, and how easy they are to learn. Yes, this is "folk" dance. That means it's for folks like you and me. Even with two left feet, you can get up and have a great time. Come dance with us! It's great exercise for the body, the mind, and the spirit.

Program runs from 1-5 on most Sundays from August through Oct 2 and is free to the public. Tot lot is nearby, as is a lovely hiking trail, indoor pool, tennis courts and plenty of free parking.
