*If during the review of the project the Planning Director estimates that the charges will exceed the deposit, additional deposit(s) will be required. Prompt payments of deposits or outstanding fees owed in association with the application will assure continued staff review of the project. Failure to provide requested deposit or fees associated with the application within an appropriate time frame as determined by the Planning Director will be treated as a withdrawal without prejudice of the application. Any surplus deposit remaining shall be refunded promptly upon project completion.
