"How Are We Doing?"

**YOU ARE INVITED TO QUARTERLY MEETINGS
TO DISCUSS YOUR EXPERIENCE IN DOING BUSINESS
WITH THE *DEVELOPMENT SERVICES DEPARTMENT***

In an effort to provide the community an opportunity to offer input on the services provided by the City of Hayward's Development Services Department, we are holding quarterly meetings on the first Wednesday of March, June, September, and December from **10:00 - 11:00 a.m.** in Room 2A at Hayward City Hall.

**MEETING DATES FOR 2009:
MARCH 4, JUNE 3, SEPTEMBER 2, AND DECEMBER 2**

The Development Services Department, which includes the Planning and Building Divisions and the Residential Rental Inspection Program, places a high priority on providing outstanding customer service. We want to hear from you regarding what we are doing right, and what we can do to improve our service and enhance your experience when doing business in Hayward. We especially encourage those that have experienced our review processes to attend and provide input, including architects, contractors, engineers, developers, planning consultants, etc.

I would appreciate your attendance and input, with the goal of making our process and your experience the best they can be.
