

Animal Adoption Process and Fees

- When you visit the shelter make sure to **fill out the adoption questionnaire** while you are looking around.
- Not all animals at the shelter may be available for adoption.

Dog Adoptions: Female - \$166.50 or Male - \$141.50

- Dog adoptions include a 5 in 1 canine vaccination, Bordatella vaccination, rabies vaccination, sterilization, Hayward license tag (for Hayward residents only), a microchip, and a free bag of dog food.

Cat Adoptions: Female - \$107 or Male \$97

- Cat adoptions include a 5 in 1 feline vaccination, sterilization, a cardboard cat carrier, a microchip.
- Adopted animals cannot go home until they are sterilized. Animals are sterilized after adoption on the next available surgery date.
- We also have other types of animals for adoption such as rabbits, hamsters, birds, and reptiles. Adoptions begin at \$20.00.
- Be sure to give consideration to our many special needs animals, which due to neglect, require some extra “TLC” and commitment. These pets are anxious to find a loving home.
