SEC. 10-1.345 MINIMUM DESIGN AND PERFORMANCE STANDARDS.

The City recognizes that high-quality design of residential structures can contribute to a positive appearance of neighborhoods and improve the overall character of neighborhoods. This Section establishes design and performance standards that shall apply to the construction of new single-family dwellings, additions to existing dwellings and accessory buildings and uses.

For single-family dwelling, additions, accessory buildings and uses refer to the development criteria and standards contained in the Single-Family District, Section 10-1.200.

For non-residential development refer to standards contained in the Neighborhood Commercial District, Section 10-1.845, Minimum Design and Performance Standards.

Section 10-1.300 amended by Ord. 13-12, adopted November 19, 2013.
