<p><i>Description: The revisions in this submittal are due to the request from City inspector. Compared with approved permit set, details 5 and 10 in Sheet 2.0 provide more detailed information for the concrete foundation connections between existing structure and new structure. The existing structure in detail 5 and detail 10 are different; hence, two separate structural detailed connections are presented.</i></p> <p><i>In the approval submittal, the floor joists are placed above PT sill plate. During the construction, it's found that the top of floor joists needs to be aligned with top of PT sill plate. Details 3 and 9 in Sheet 2.0 provide such revised connection details.</i></p> <p><i>Please review and approve these revisions, so the job could be proceed.</i></p>

	<i>Description: Dear City of Hayward,</i>						
	<i>I am writing to apply for a city water heater permit for my property located at 2230 Hesperian Blvd. Hayward CA. The purpose of this application is to seek approval for the repair of the water heater at this property.</i>						
	<i>The water heater is a 40 gal/ 36K BTU ULN Gas Tall Edamp N3. It will be powered by gas.</i>						
	<i>The repair of the water heater will take place in the designated garage of 22230 Hesperian Blvd. The process involves connecting the necessary plumbing lines, electrical wiring, and ensuring proper ventilation in accordance with local building codes and safety standards.</i>						
	<i>I assure you that the installation will be carried out in full compliance with all applicable codes, regulations, and guidelines set forth by the city. Safety and quality are of utmost importance, and I will be employing a professional contractor, Plumbing Connection Inc., who possesses the required licenses and certifications for the job.</i>						
	<i>Thank you for considering my application. I look forward to obtaining the necessary permit to proceed with the installation of the water heater on my property. Should you require any additional information or have any questions, please feel free to contact me.</i>						
	<i>Sincerely, Jaspal Singh Dhillon</i>
