During the evaluation process, the City and/or Local 21 reserve the right, where it may serve their best interest, to request additional information or clarifications from firms submitting proposals, or to allow corrections of errors or omissions. At the discretion of the City and Local 21, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The City and Local 21 reserve the right to retain all proposals submitted regardless of whether that proposal is selected. Submission of a proposal indicates the firm’s acceptance of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City, Local 21 and the firm selected.

There is no express or implied obligation for the City or Local 21 to reimburse responding firms for any expenses incurred in preparing proposals in response to this RFP.

BACKGROUND
Hayward is known as the “Heart of the Bay" because of its central and convenient location in Alameda County – 25 miles southeast of San Francisco, 14 miles south of Oakland, 26 miles north of San Jose and 10 miles west of the valley communities surrounding Pleasanton. Serviced by an extensive network of freeways and bus lines, Hayward has two BART stations (Hayward and South Hayward), an Amtrak station, and the Hayward Executive Airport, with easy access to San Francisco, Oakland, and San Jose airports. It has approximately 154,507 residents.

The City of Hayward employs approximately 895.3 employees in a variety of positions ranging from administrative and professional staff to public safety. City leadership is committed to providing a labor friendly work environment and recognizing the value of its employees. The members of IFPTE Local 21 are important to the City’s ability to provide high quality services and excellent customer service to the community. Positions represented by Local 21 perform such services as planning, code enforcement, engineering, information technology support, building inspection, Librarian services, and additional technical tasks that are essential to City operations.

SCOPE OF SERVICES:
The purpose of the comprehensive Compensation analysis is to provide the necessary information for the appropriate recommendation and implementation of equity adjustments subject to the terms agreed to by the City of Hayward and IFPTE Local 21. This compensation analysis is a joint project between the City of Hayward and IFPTE Local 21. Transparent communication is an essential element of this project. Therefore, ALL communications including questions and requests for additional information MUST be emailed to both Nina Collins and Jesse Kadjo without exception.

Compensation Analysis
The total compensation analysis for Local 21 will consist of two (2) components:
The City of Hayward and IFPTE Local 21 are seeking a consultant to survey twenty (20) benchmark positions (Exhibit E) utilizing ten (10) survey agencies (Exhibit F).

The consultant is to compile all data related to a total cash compensation and a total compensation survey in accordance with the applicable MOU for each benchmark position. Note: In addition to the ten (10) agencies listed in Exhibit F, four (4) special districts will be included in the surveyed jurisdictions for the classifications specifically identified in Exhibit E.

**Final work product** – Consultant to identify similarities and differences to the City of Hayward, copies of organization charts from each survey agency, all comparable job descriptions for each identified position to be surveyed and a table for each position to be surveyed outlining comparable classifications from other agencies and explanation as to why the position is comparable and identifying those which are not comparable and explanation as to why not. Consultant to provide a table for each position to be surveyed with total cash compensation and total compensation (as defined below) identified from each agency with a comparable position and which identifies the market salary for the City position based on the survey results.

In addition to providing the final work products detailed above, the Consultant must provide support to management at the executive level for the City and/or Local 21 and to explain processes and answer questions related to the compensation analysis at the bargaining table as necessary. Total cash for the purposes of this survey includes: base salary; employer paid member contributions to retirement; car allowances; employer contributions to deferred compensation programs; employer contributions to VEBA; educational incentives; administrative leave; uniform allowance; sick and vacation leave. Total compensation includes total cash in addition to employer provided benefits including but not limited to: medical, dental, vision, short and long-term disability insurance, life insurance, employee contributions made towards the employer's retirement contribution, and other benefits the consultant recommends that are typical in the industry.

Assignment and Subcontracting. It is recognized by the parties hereto that a substantial inducement to City for entering into this agreement was, and is, the professional reputation and competence of Consultant. Neither this agreement nor any interest therein may be assigned by Consultant without the prior written approval of City's Director of Finance. Consultant shall not subcontract any portion of the performance contemplated and provided for herein without prior written approval of the City's Director of Finance.

Insurance. On or before beginning any of the services or work called for by any term of this agreement, Consultant, at its own cost and expense, shall carry, maintain for the duration of the agreement, and provide proof thereof that is acceptable to the City the insurance specified in subsections (a) through (c) below.
with insurers and under forms of insurance satisfactory in all respects to the City. Consultant shall not allow any subcontractor to commence work on any subcontract until all insurance required of the Consultant has also been obtained for the subcontract.

(a) **Workers' Compensation.** Statutory Workers' Compensation Insurance and Employer's Liability insurance for any and all persons employed directly or indirectly by Consultant shall be provided with limits not less than one million dollars. In the alternative, Consultant may rely on a self-insurance program to meet these requirements so long as the program of self-insurance complies fully with the provisions of the California Labor Code. The insurer, if insurance is provided, or the Consultant, if a program of self-insurance is provided, shall waive all rights of subrogation against the City for loss arising from work performed under this agreement.

(b) **Commercial General and Automobile Liability.** Consultant, at Consultant's own cost and expense, shall maintain commercial general and automobile liability insurance for the period covered by this agreement in an amount not less than one million dollars per occurrence, combined single limit coverage for risks associated with the work contemplated by this agreement. If a Commercial General Liability Insurance or an Automobile Liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this agreement, including the use of owned and non-owned automobiles.

Coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 and Insurance Services Office Automobile Liability form CA 0001 Code 1 (any auto).

Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

(i) City, its officers, employees, agents, and volunteers are to be covered as insureds as respects each of the following: liability arising out of activities performed by or on behalf of Consultant, including the insured's general supervision of Consultant; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or automobiles owned, leased, hired, or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, its officers, employees, agents, or volunteers.

(ii) The insurance shall cover on an occurrence basis, and not on the basis of an accident or claims made.

(iii) The insurance must cover personal injuries as well as bodily injuries. Any exclusion of contractual liability in personal injury provisions of the policy or any endorsement to it must be eliminated.

(iv) The insurance must cover complete contractual liability. This may be provided by amending the definition of "incidental contract" to include any written agreement.

(v) Any explosion, collapse, and underground property damage exclusion must be deleted.

(vi) An endorsement must state that coverage is primary insurance and that no other insurance affected by the City will be called upon to contribute to a loss under the coverage.

(vii) The policy must contain a cross liability or severability of interests clause.

(viii) Any failure of Consultant to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.
(ix) Broad form property damage liability must be afforded. A deductible that does not exceed $25,000 may be provided.

(x) Insurance is to be placed with California-admitted insurers with a Best's rating of no less than A:VII.

(xi) Notice of cancellation or non-renewal must be received by City at least thirty days prior to such change.

(c) **Professional Liability**. Consultant, at Consultant's own cost and expense, shall maintain for the period covered by this agreement professional liability insurance for licensed professionals performing work pursuant to this agreement in an amount not less than one million dollars covering the licensed professionals' errors and omissions, as follows:

(i) Any deductible shall not exceed $100,000 per claim.

(ii) Notice of cancellation or non-renewal must be received by the City at least thirty days prior to such change.

(iii) If the professional liability coverages are written on an occurrence form, the policy must contain a cross liability or severability of interest clause.

(iv) The following provisions shall apply if the professional liability coverages are written on a claims made form:

1. The retroactive date of the policy must be shown and must be before the date of the agreement.
2. Insurance must be maintained and evidence of insurance must be provided for at least five years after completion of the agreement or the work.
3. If coverage is canceled or not renewed and it is not replaced with another claims made policy form with a retroactive date that precedes the date of this agreement, Consultant must provide extended reporting coverage for a minimum of five years after completion of the agreement or the work.
4. A copy of the claim reporting requirements must be submitted to the City prior to the commencement of any work under this agreement.

(d) **Deductibles and Self-Insured Retentions**. During the period covered by this agreement, upon express written authorization of City's City Attorney, Consultant may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The City Consultant may condition approval of an increase in deductible or self-insured retention levels upon a requirement that Consultant procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

(e) **Notice of Reduction in Coverage**. In the event that any coverage required under subsections (a), (b), or (c) of this section of the agreement is reduced, limited, or materially affected in any other manner, Consultant shall provide written notice to City at Consultant's earliest possible opportunity and in no case later than five days after Consultant is notified of the change in coverage.

(f) In addition to any other remedies City may have if Consultant fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option:

(i) Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the agreement;

(ii) Order Consultant to stop work under this agreement or withhold any payment which becomes due to Consultant hereunder, or both stop work and withhold any payment, until Consultant demonstrates compliance with the requirements hereof;

(iii) Terminate this agreement.

Exercise of any of the above remedies, however, is an alternative to other remedies City may have and is not the exclusive remedy for Consultant's failure to maintain insurance or secure appropriate endorsements.

**Indemnification - Consultant's Responsibility.**
(a) It is understood and agreed that Consultant has the professional skills, experience, and knowledge necessary to perform the work agreed to be performed under this agreement, that City relies upon the professional skills of Consultant to do and perform Consultant's work in a skillful and professional manner, and Consultant thus agrees to so perform the work.

(b) Acceptance by City of the work performed under this agreement does not operate as a release of said Consultant from such professional responsibility for the work performed. It is further understood and agreed that Consultant is apprised of the scope of the work to be performed under this agreement and Consultant agrees that said work can and shall be performed in a fully competent manner.

(c) Consultant shall, to the fullest extent permitted by law, indemnify, protect, defend, and hold harmless City, and its officers, employees, agents, and volunteers, from and against all claims, demands, costs, or liability arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant, its officers, employees, or agents during the performance this Agreement, or from any violation of any federal, state, or municipal law or ordinance to the extent caused, in whole or in part, by the negligence, reckless, or willful misconduct of Consultant or its employees, subcontractors, or agents, or by the quality or character of Consultant’s work, excepting only liability arising from the sole negligence, active negligence, or intentional misconduct of City, its officers, employees, agents, and volunteers. It is understood that the duty of Consultant to indemnify and hold harmless includes the duty to defend as set forth in section 2778 of the California Civil Code. Acceptance of insurance certificates and endorsements required under this agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

Licenses. If a license of any kind, which term is intended to include evidence of registration, is required of Consultant, its employees, agents, or subcontractors by federal or state law, Consultant warrants that such license has been obtained, is valid and in good standing, and shall keep in effect at all times during the term of this agreement, and that any applicable bond has been posted in accordance with all applicable laws and regulations.

Nondiscriminatory Employment Practices. In the performance of this agreement, Consultant agrees to comply with the requirements of Hayward Municipal Code, Chapter 2, Article 7, Nondiscriminatory Employment Practices by City Contractors, a summary of which is attached hereto as Exhibit B.

Termination. This agreement may be cancelled at any time by the City for its convenience upon written notification to Consultant. In the event of termination, the Consultant shall be entitled to compensation for services performed to the effective date of termination; provided, however, that the City may condition payment of such compensation upon Consultant's delivery to the City of any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Consultant or prepared by or for Consultant or the City in connection with this agreement.

5. The contractor shall not disturb or damage any existing pipe lagging or equipment insulation or other asbestos material on the job site. If any asbestos material is disturbed or damaged, the contractor shall immediately notify the City and the situation will be considered an "asbestos release" under State and Federal Regulations. The job will be shut down immediately until all appropriate State and Federal notifications have been complete and all testing completed to determine if any asbestos fibers have been released.
6. Violation of any of the above procedures shall be sufficient cause for the City to stop all work. Any expense incurred by the City caused by the work stoppage will be borne by the contractor. These expenses will include all costs to return the job site and all other areas contaminated by the contractor to a hazard-free condition.

7. The contractor will be solely responsible for all the costs, including fines and penalties, for the investigation and cleanups of any suspected hazardous materials the contractor used, left on the job site, or dumped down a City drain or sewer, and any damage to property and/or injury to any person.

Contractors and suppliers shall use or provide such materials or products to the maximum extent practicable and allowable within the specifications prepared by the City, provided however, that the performance or operational effectiveness of the product or material is not detrimentally affected nor the health and safety of the citizens or employees of the City of Hayward negatively impacted by the use of such products or materials.
In the performance of this contract the contractor or subcontractor agrees as follows:

1. AFFIRMATIVE ACTION - GENERAL. The contractor or subcontractor shall not discriminate against any applicant for employment or employee on the grounds of race, color, religion, national origin, ancestry, place of birth, sex, sexual orientation, age, or disability. The contractor or subcontractor will take affirmative action to ensure that its recruitment, selection, and evaluation practices do not discriminate against any applicant for employment or employee. The contractor or subcontractor shall also ensure that its personnel policies, practices and procedures, including but not limited to, the transfer, promotion, demotion, suspension, layoff, or termination, rates of pay or other forms of compensation, and the selection for training programs, apprenticeship, and on-the-job training do not discriminate against any applicant for employment or employee.

2. RECRUITMENT.
   (a) Non-union employees. Advertising placed with any media shall include the notation, "An Equal Opportunity Employer." Advertisements shall be placed with media having large circulation among minority groups or at school placement centers having large minority student enrollments. The contractor or subcontractor will send to each source of employee referrals, other than labor unions or workers' representatives, a notice, in such form and content as shall be furnished or approved by the City, advising such source of the contractor's or subcontractor's affirmative action goals and objectives. The contractor or subcontractor shall post copies of the notices in conspicuous places available to employers and applicants for employment. Recruitment of non-union employees shall, to the maximum extent possible, utilize the services of minority organizations likely to be referral sources for minority group employees.
   (b) Union employees. Union employees shall be recruited in accordance with applicable labor agreements. The contractor or subcontractor shall send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, in such form and content as shall be furnished or approved by the City, advising such labor union or workers' representatives of its affirmative action goals and objectives under the Nondiscriminatory Employment Practices Provision and the California Fair Employment Practices Act. The contractor or subcontractor shall post copies of the notices in conspicuous places available to employers and applicants for employment. The contractor or subcontractor agrees to seek the inclusion in all union agreements to which it is a party, clauses prohibiting discrimination based upon race, color, religion, national origin, ancestry, place of birth, sex, sexual orientation, age, or disability. To the maximum extent consistent with applicable labor agreements the contractor or subcontractor will attempt to recruit applicants without regard to race, color, religion, national origin, sex, age, or disability.

3. EQUAL EMPLOYMENT OPPORTUNITY OFFICER. The contractor or subcontractor shall designate one of its management employees as its Equal Employment Opportunity Officer and shall assign such officer the responsibility and authority to administer and promote an active program to put the contractor's or subcontractor's nondiscriminatory employment practices commitment into practice.

4. ACCESS TO RECORDS. The contractor or subcontractor shall permit access during normal business hours to its records of employment, employment advertisements, completed application forms, and other pertinent data and records when requested to do so by the City Manager or any representative of the Fair Employment Practices Commission of the State of California.

5. COMPLIANCE REVIEW PROCEDURES.
   (a) The contractor or subcontractor shall, upon request of the City Manager, submit its official payroll records together with a monthly cumulative summary of all employee hours worked in performance of its contract with or on behalf of the City identified as to minority status.
   (b) The contractor or subcontractor shall submit to a formal, thorough review of its records, books, reports, and accounts concerning its employment practices for the purpose of determining whether they are nondiscriminatory. This review will be performed at intervals during the performance of the contract as may be specified by the City Manager. Each review shall be followed within 30 days by either a written notice to the contractor or subcontractor that it is in apparent compliance with the Nondiscriminatory Employment Practices Provision of its contract or by a citation of apparent deficiency, summary of findings, and a statement of remedial commitment for signature by the contractor. If the contractor or subcontractor fails to meet the commitments it has made in executing such statement, the City Manager shall issue a notice of intent to initiate an action against the contractor or subcontractor with the Fair Employment Practices Commission for willful violation of the Nondiscriminatory Employment Practices Provision and the California Fair Employment Practices Act in not less than 30 days of such notice of intent.

6. VIOLATIONS. The City Manager shall deem a finding of willful violation of the Nondiscriminatory Employment Practices Provision and the California Fair Employment Practices Act to have occurred upon receipt of written notice from the Fair Employment Practices Commission that it has investigated and determined that the contractor or subcontractor has violated the fair employment practices Act and has issued an order under Labor Code Section 1426, which has become final, or obtained relief under Labor Code Sections 1429 and 1429.1, or an appropriate federal commission or agency, or a court of the State of California, or if the United States Government finds, in any action or proceeding to which the contractor or subcontractor is a party, that it discriminated against employees or applicants for employment in the performance of this contract. Upon receipt of such notice or final judgement, the City Manager shall cause the contractor or subcontractor to submit its employment practices for a thorough review of matters relating to any action or proceeding to which the contractor or subcontractor is a party, that it discriminated against employees or applicants for employment in the performance of this contract. Upon receipt of such notice or final judgement, the City Manager shall notify the contractor or subcontractor that unless it demonstrates to the satisfaction of the City Council within a stated reasonable period that the violation has been corrected, said contractor or subcontractor shall be subject to the remedies hereinafter provided.

7. REMEDIES FOR WILLFUL VIOLATION. The contractor or subcontractor agrees that a finding of a willful violation of the California Fair Employment Practices Act or of this Nondiscriminatory Employment Practices Provision shall be regarded by the City Council as a basis for determining whether or not it is a responsible bidder as to future contracts for which such contractor or subcontractor may submit bids. The contractor or subcontractor further agrees that such disqualification by said City Council shall remain in effect for one year or until it demonstrates to the satisfaction of the City Council that its employment practices are in conformity with the nondiscrimination provisions of the article.

Prior to making any determination with respect to reinstatement of a contractor or subcontractor as a responsible bidder, the City Council may refer the matter to the Human Relations Commission of the City of Hayward for a report and recommendation. The contractor or subcontractor agrees to cooperate to the fullest extent with said Human Relations Commission in its exercise of the authority here conferred, including, but not limited to, promptly furnishing reports requested by the commission's review of matters relating to such reinstatement.
In accordance with section 2-7.04 of the Hayward Municipal Code (HMC), this provision shall be included in every nonconstruction contract estimated by the City to equal or exceed $10,000 annually, where the contract has a potential for more than one delivery on City request and the Contractor employs more than ten (10) persons, and for every other nonconstruction contract equal to or in excess of $25,000 (whether paid in one sum upon delivery or completion, or paid periodically and such periodical payments are estimated by the City to total $25,000 or more in one year) the following requirements must be met in addition to those set out in The City of Hayward Nondiscriminatory Employment Practices Provision (Sec. 2-7.02, HMC):

1. IN THE PERFORMANCE OF THIS CONTRACT, THE CONTRACTOR AGREES AS FOLLOWS:

(a) The contractor that submits the apparent low bid shall, on behalf of itself and those of its subcontractors, if any, where the dollar amount of such subcontract exceeds $10,000, furnish the City Manager such information concerning its employment practices and existing and projected work forces in the form and manner as may be requested by the City Manager.

(b) The contractor that submits the apparent low bid and each of its subcontractors, if any, where the dollar amount of such subcontract is $10,000 or more, may be required to attend a conference with the City Manager at such time and place as may be fixed by the City Manager to determine whether the information earlier submitted shows compliance with the nondiscrimination requirements of this article.

In making such determination, the City Manager shall consider the following factors:

1. The size of the contractor's or subcontractor's existing work force;
2. The size of the anticipated work force necessary for the contractor or subcontractor to perform the contract or subcontract for or on behalf of the City;
3. The projected turnover, vacancies, or work force expansion that the contractor or subcontractor expects to occur during the term of the contract;
4. The specific plans of the contractor or subcontractor to recruit applicants for employment and to select, train, and promote employees hired to complete the contract with or on behalf of the City in like proportion to their numbers in the contractor's or subcontractor's typical, geographic labor market;
5. An analysis showing the projected work force that would be expected, after all necessary selection is completed, to perform the contract or subcontract with or on behalf of the City absent any discriminatory employment practices;
6. Any other qualitative or quantitative data which would assist the City Manager in determining the contractor's or subcontractor's commitment to meet the nondiscriminatory employment practices requirements of this contract.

(c) Following such conference, the apparent low bidder shall enter into a memorandum of understanding with the City in a form agreed to by such contractor and the City Manager, which memorandum of understanding shall set forth the measures that the contractor and its subcontractors who have attended the conference shall take in furthering and meeting its nondiscrimination employment practices commitment during the performance of the contract.

(d) In the event the apparent low bidder fails to submit the requested written information, appear at the conference, or enter into a memorandum of understanding that is acceptable to the City Manager, the City Manager shall, after giving notice and an opportunity to respond to the apparent low bidder, contact the second lowest bidder for the purpose of conducting the procedure set out in subsections (a) through (c) herein.

2. IMPLEMENTING RULES AND REGULATIONS, ENFORCEMENT PROCEDURE, AND DELEGATION OF RESPONSIBILITY. (Sec. 2-7.05, HMC)

The City Manager shall promulgate all rules, regulations, and forms necessary to implement the provisions of this article. So far as is practical, such rules, regulations, and forms shall be similar to those adopted pursuant to federal Executive Order 11246 and the Fair Employment Practices Act of the State of California.

The City Manager shall monitor the performance of the contractors and subcontractors in their achievement of the nondiscriminatory employment practices requirements provided herein, conduct on-site inspection of their work forces and employment records and submit periodic reports on such performances to the City Council and Human Relations Commission for advisory review to the City Council regarding modifications of this article so as to ensure its effectiveness.

The City Manager shall designate a Contract Compliance Officer and may, at his discretion, delegate responsibility and authority for administering the provisions of this article to the Contract Compliance Officer and to such other officers or employees of the City as necessary for proper administration of this program.

3. EXEMPTIONS. (Sec. 2-7.06, HMC)

The following contracts are exempt from the provisions of this article:

(a) Contracts with other governmental jurisdictions;
(b) Contracts with manufacturers whose principal place of business is located outside the United States;
(c) Contracts with the United States manufacturers whose principal place of business is located outside the State of California;
(d) Contracts with any single or sole source supplier of any goods or service; and
(e) Contracts resulting from exigent emergency requisitions where any delay in completion or performance of the contract would jeopardize the public health, safety, or welfare of the citizens of the City of Hayward, or where in the judgement of the City Manager the operational effectiveness of a significant City function would be significantly threatened if the contract were not entered into expeditiously.

4. CONTRACTS SUBJECT TO EXECUTIVE ORDER 11246. (Sec. 2-7.07, HMC)

No provision of this article shall be construed to apply to any federally assisted construction contract entered into by the City that is subject to Executive Order 11246 or any order amending or superseding Executive Order 11246, the rules and regulations promulgated pursuant to said order, or the Federal Equal Employment Opportunity Bid Conditions for Alameda County.

5. OTHER REMEDIES. (Sec. 2-7.08, HMC)

The provisions of this article shall not be construed to prevent the City from pursuing and obtaining any remedy or relief as may be prescribed by law.
