Subject: Notice of Upcoming Weekend Work at La Vista Park

Dear Residents:

The City would like to provide notice of the upcoming weekend construction work at La Vista Park scheduled for Saturday, May 16 and Sunday, May 17, 2026. The work hours will be from 9:00 AM to 5:00 PM.

The Contractor will be performing directional drilling work to install a new subdrain line from the bottom of the keyway excavation. This work must occur immediately following excavation activities due to groundwater conditions within the keyway.

The operation will be hidden from view and take place within the excavation area approximately 45 feet below grade. Minimal noise level is expected during work.

Performing this work during the upcoming weekend will help ensure the project stays on schedule and reduce the overall construction duration.

The Contractor will continue to follow strict dust control requirements throughout the operation.

We appreciate the community's patience and understanding as construction progresses on the La Vista Park project.

If you have any questions, please contact me at 510-583-4768 or by email at sammy.lo@hayward-ca.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'SLo'.

Sammy Lo
Project Manager
