

HOTSPOT QUICK START GUIDE

FOR T9 FRANKLIN MOBILE HOTSPOT

PART 1: SET UP YOUR MOBILE HOTSPOT

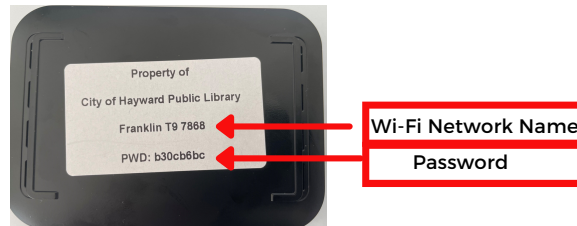

1 CHARGE YOUR MOBILE HOTSPOT FULLY

2 TURN ON YOUR MOBILE HOTSPOT

Press and hold the **Power** button for 2 seconds.

3 FIND NETWORK NAME AND PASSWORD

The Wi-Fi network name and password are located on the back of the hotspot. Each device has its own network name and password.

PART 2: CONNECT TO THE INTERNET

1 TURN ON YOUR DEVICE YOU WANT TO CONNECT

2 CONNECT TO HOTSPOT NETWORK

- Open the Wi-Fi app or controls on your device and select your hotspot's Wi-Fi network name from the list of available Wi-Fi networks.
- Click connect.
- Enter your hotspot's Wi-Fi password.
- If you get an "Alert" on your hotspot saying a device has connected to the network, click "Ok."
