

Hayward Fire Department Permit Application

Contractor

I hereby affirm that I am licensed under provisions of Chapter 9 (commencing with Sec. 7000 of div. 3 of the Business and professions Code, B&P c) and my license is in full force and effect.

Owner/Builder

I hereby affirm that I am exempt from the Contractor's License Law for the following reason: Sec. 703.5 B&PC. Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance also requires the applicant for such permit to file a signed statement that applicant is licensed pursuant to the provisions of the Contractor's License Law (Chapter 9 commencing with Sec. 7000 of Div. 2 of the B&PC) or is exempt there from and the basis for the alleged exemption. Any violation of Section 7031.5 by an applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars. (\$500.00)

I, as owner of the property, or my employees with wages as sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, B&PC). The Contractor's License Law does not apply to an owner of property who builds or improves thereon and who does such work himself or through his own employees, provided that such improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of providing that he did not build or improve for the purpose of sale.

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project in conformance with Sec. 7044, B&PC. Subject to certain limitations, the Contractor's License Law does not apply to an owner of property who builds or improves thereon, and who contracts for each project with a contractor(s) licensed pursuant to the Contractor's License Law.

I am exempt under Sec. _____ B&PC for this reason:
