
Name: Angela Andrews

Age: 38

Occupation: Construction Program Manager/Hayward Planning Commissioner

Hayward deserves fresh leadership to house working families, revive small businesses, and reimagine policing and public safety. I will champion these issues on the Council and help Hayward recover from our public health and economic crises. As a Planning Commissioner, I've used my master's degree in planning to advance the development of 345 homes in the past two years, and I'll fight to increase affordable housing. I'm dedicated to helping our small businesses through the pandemic while attracting thriving restaurants, shops and nightlife Downtown and elsewhere. As former Chair of the Keep Hayward Clean and Green Task Force, I've worked to beautify Hayward. As an advisor to Hayward's Downtown Streets Team, I help get our homeless community back on their feet. If elected, I'll be the first Black woman ever on City Council, I personally relate to and affirm that Black and Brown Lives Matter. I will work to reform Hayward's policing. I'm endorsed by labor unions, the Hayward Chamber of Commerce, and Assemblymember Bill Quirk. I'm working to make Hayward a great city in which to raise my daughter. With your vote, I will work for you and your family as well.
