  - Discussion: Future agenda items
- 

#### Minutes

##### ***Presentation of Review of Year 1 Data***

Participants discussed what additional data would be useful to review. The following was identified:

- Age of participants
- Level of education
- Aggregate level descriptive data of criminal justice history (I.e., misdemeanor vs. Felony, crimes against persons vs. Non crimes against persons)
  - Who is at the HNCP47?
- Aggregate MH information
- Aggregate SUD information

**Action steps:** Jessica will connect with BSCC to see if Dashboard is available for viewing, as the dashboard contains some of this data.

##### ***LEAD Training Update***

Jessica provided high level LEAD Training overview from Sgt. Faye Maloney (who was unable to attend the January LAC). The LEAD training is being developed to cover the following objectives:

- De-escalation & Crisis Negotiation Update
- Mental Health Service Update (Mobile Crisis Team/CATT Team)
- Drug Addiction Services (Update/Integration)
- District Attorney Collaboration with Diversion programs (Pre-arrest/Pre-arraignment)

The training program will be 4 hours long and implemented by 3/31.

Participants had the following questions on the LEAD Training:

- Who will receive LEAD training?
- How will LEAD training intersect with the Policy Innovation workshops?
- Is LEAD training a best practice and is it a program that must be done to fidelity?
- Is LEAD a program or a training? Do officers refer just to HNC or to other diversion services as well?

**Action steps:** Jessica to follow up with Sgt. Maloney on presenting LEAD update at the April LAC.

***Discussion: Future Meeting Topics***

- BACS HEDCO Wellness Center and Housing Resource Center integration (presentation from BACS)
- Let's House Hayward! Strategic Plan Update (presentation from Amy Cole-Bloom)
- Year 1 Recidivism Data (presentation from Dr. Michelle Rippey)
