RADIO CULTURE COVERS ENGLAND LIKE A PALL

Yes, Britannia Surely Rules The Air Waves

By John Cholse 2, the British Broadcasting Corporation inaugurated its third program, the most applications and certainty the most earlier project anywhere in the world. Up to that time the British and their choice of only two programs, the Home Artist of regions and the Light Program within had their choice of the Program withi

Three Clerics Rap Hollywood

NEW YORK, Feb. 17.—(P)—Three recombons religious leaders sharply tacked Hollywood today for its high rate of divorce.

Writing in the March issue of detion Picture Magazine, the Rt. W. Magr. Fullon J. Sheen, professor of theology at Catholic University, deciared "I so many Hollywig deciared" if so many Hollywig deciared "I so many Hollywig deciared "I so many Hollywig deciared" it is because those who married were in love not with a person but with an experience.

"At present, he rate in Los An-
