as we shape the future of the former Skywest Golf Course!

The City of Hayward is conducting a public outreach process to receive suggestions for the future development of the 126-acre former Skywest Golf Course leasehold. Your feedback will help us prepare a preliminary site concept.

There are two rounds of public outreach:

- ▶ Round 1: July 16-30  
– Share your ideas for the project
- ▶ Round 2: August 9-19  
– Give your feedback on the site concept
