## COURTESY NOTICE

### **Subject: 2025 Wildfire Season Survey Reminder & Introduction to the new Defensible Space Inspection Portal**

**Dear Property Owner/Resident,**

California wildfire season usually begins in the month of April and ends in the month of November. This notice is a friendly reminder that weeds, rubbish and/or other unsafe conditions on your property need to be removed or otherwise abated before they become a fire hazard and endanger life and property. The Fairview Fire Protection District (FFPD) is sending this notice to all property owners now so that arrangements can be made to have any necessary abatement work completed.

Continuing maintenance should also be scheduled to keep weeds and debris abated throughout the entire fire season. We have attached **Ordinance 1, FFPD Abatement Standards**, outlining the minimum abatement requirements. We also want to bring to your attention the States defensible space requirements which involve varying levels of vegetation management from 0 – 100 feet of your home. More information regarding these zones and Fairview requirements can be found at [www.fairviewfiredistrict.org](http://www.fairviewfiredistrict.org).

Survey inspections will begin any time after **June 1, 2025**, and will continue throughout the remainder of the fire season. If your property is not in compliance with the FFPD Abatement Standards after the first inspection, a notice to abate letter will be mailed out to notify the property owner and the resident of the corrective actions needed, giving you **21 days from the date of the letter to comply**, after which our abatement notification process will continue per our 2020 Abatement Ordinance.

For your convenience, we have implemented a new online Defensible Space Inspection Portal that allows property owners to easily track the results of their property inspections. This application will be available starting June 1st. It will enable fire department personnel to collect comprehensive data in the field, generate detailed inspection reports, and build a database to monitor progress toward citywide wildfire resilience.

A property code is required to gain access to your results, and this is only created after the inspection has been carried out. If you wish to be notified via email of your results, go to <https://www.defensiblespacereport.org/haywardfiredept> and follow the prompts provided. You will be mailed an abatement notice with instructions on what to abate **only** if your inspection resulted in violations to be addressed.

If you have questions regarding this notice, please email [firesafehd@hayward-ca.gov](mailto:firesafehd@hayward-ca.gov) or visit the FFPD website [www.fairviewfiredistrict.org](http://www.fairviewfiredistrict.org) for more information about the FFPD abatement ordinance, defensible space, filing complaints, and the chipping program.

Sincerely,

City of Hayward Fire Department  
Encl: FFPD Abatement Standards

**ORDINANCE 1**  
**Fairview Fire Protection District (FFPD)**  
**ABATEMENT STANDARDS**

The following standards are considered as a minimum. The Fire District may require additional abatement due to terrain, height of growth, location, use of land, etcetera. **No burning is allowed.**

**RUBBISH, TRASH, OTHER UNSAFE CONDITIONS:**

- I. ALL PROPERTIES
  - A. All rubbish, trash, trimmings or litter shall be abated.
  - B. All wood fuel or lumber shall be neatly stacked or removed from property:

**WEEDS, GRASS, BRUSH, AND DEAD GROWTH:**

- I. RESIDENTIAL AND COMMERCIAL AREAS
  - A. Complete abatement:
    - 1. All weeds, grass, or other vegetation that is dry or will become dry during the months of May - November must be removed or otherwise abated from the entire parcel.
    - 2. This abatement must be maintained whenever growth exceeds 4 inches in height.
- II. CROP LAND AND PASTURELAND (LIVESTOCK GRAZING)
  - A. 30-foot-wide continuous firebreaks (cleared space) shall be installed and maintained around each parcel property line as the terrain allows.
  - B. 30-foot-wide cross breaks (cleared space) intersecting the firebreaks shall be installed:
    - 1. On one side of all obstructions to emergency vehicles such as ditches, creeks, fence lines and the like within parcels.
    - 2. On the top of all ridges, hills, and saddles.
    - 3. On both sides of access roads.
  - C. 30-foot-wide minimum cleared space around all buildings or to property line, whichever is closer.
  - D. Complete abatement (cleared space) extending at least 30 feet beyond the foliage of any trees that would present a hazard to any building or structure.
- III. UNUSED LAND -VACANT PROPERTY (WITHOUT GRAZING OR CROP USE)
  - A. Residential and Commercial areas:
    - 1. Complete abatement (as per "I" above).
  - B. Rural property other than "IIIA":
    - 1. For parcels **5.0 acres or smaller** complete abatement is required.
    - 2. For parcels **5.1 acres or larger** require firebreaks two times the width of the cleared space specified in "II" above.
- IV. INACCESSIBLE TERRAIN AREAS- (PROPERTY NOT ACCESSIBLE BY ROADWAY).
  - A. Graded fire trails, maintained to provide access for firefighting personnel and equipment may be used in place of firebreaks and cross breaks on an area-by-area basis.
- V. WEED ABATEMENT ENFORCEMENT AND CHARGES:
  - A. A notice to abate will be mailed to those property owners whose property is determined to present a fire hazard per the 2020 Fuels Management, Abatement & Enforcement Ordinance of the Fairview Fire Protection District. Owners will have 21 days from the date of the notice to comply. After which a second inspection will be conducted, a second notice will be mailed if compliance has still not been met giving property owners 7 days from mailing the notice to comply. No actions or fees will be assessed if the required corrections are satisfactorily completed by the date indicated on any notice.
  - B. If the property has not been satisfactorily abated by the second inspection date, the Fire Chief will request the Board declare a Public Nuisance. A Public Hearing will be held when the Board may make a Resolution of a Public Nuisance and order the abatement of the Public Nuisance. If declared a Public Nuisance, the Board will authorize the Fire Chief to assign a contractor to abate the property. To view the 2020 Fuels Management, Abatement & Enforcement Ordinance of the FFPD please visit our website at [www.fairviewfiredistrict.org](http://www.fairviewfiredistrict.org).
  - C. Per the 2020 Fuels Management, Abatement & Enforcement Ordinance Section 8, the Property owner is responsible for all costs of abatement, which include, but are not limited to, the actual costs to abate, any and all administrative costs, cost of mailing, personnel time, computer retrieval, Investigation, boundary determination, measurement, any directly related costs actually incurred by contractors, and other related costs authorized in writing by the District.
