## Hayward suspends street-sweeping and street-sweeping parking regulations

**HAYWARD, Calif.**, March 17, 2020—The City of Hayward has suspended all street-sweeping operations, street-sweeping parking regulations and enforcement of those rules.

The suspension of street-sweeping operations and associated parking-regulations is pursuant to the stay-at-home order issued Monday by the Alameda County Health Officer—and will remain in effect for the duration of the order.

The order to shelter in place of residence is an emergency action intended to slow transmission of coronavirus COVID-19 and is scheduled to remain in effect until April 7.
